WORK EXPERIENCE

09/2013 – 03/2020

Protravel International
Project Manager
 Managed travel accounts for VIP clients and top executives of Slack and Twitter. This included annual events for both the PGA and NFL. Acted as a change manager for all new or updated tech. (ie: Slack or Sabre 360)

04/2008 – 09/2013

CCRA
VIP Travel Consultant
 Arranged travel, both domestic and international, for over 200 accounts based on call-in emergency service.

05/2008 – 07/2010

CDM Data
Account Manager/ Fulfillment
 Responsible for training all new account users in a virtual environment. Managed all FTP import/export(s) of inventory data, including third party API's. Created electronic window stickers using HTML and XML.

10/2005 – 01/2008

Hunter World Travel
Sr Event Manager
 Managed all travel details for participation in annual, corporate sponsored events. Created custom registration sites using PHP, STARCITE/CVENT, and Reg123 software.

04/2005 – 09/2004

Electronic Arts
Sr Executive Travel Consultant
 Placed onsite by World Travel to manage all international travel for the EA executive staff. Also managed studio travel for all professional sports teams.

06/2000 – 09/2004

NASA – Moffett Field CA
Government Travel Consultant
 Onsite travel specialist for both domestic and international travel for all of NASA Ames.

06/1997 – 06/2000

Clarent Corp / Converse Technologies
Onsite Travel Manager
 Onsite travel specialist for both domestic and international travel for all employees. Managed annual corporate events. First at Converse in Boston, then at Clarent in Redwood City, CA.
